ABOUT US

The **ZHMENKA** trademark is a national Ukrainian brand recognized as an expert in the production of healthy food products based on cereals.

The range of TM "ZHMENKA" offers the consumer a wide selection of natural, quality products that will provide a daily healthy diet.

A variety of products from TM "ZHMENKA" form the basis of complete nutrition, which the consumer receives in the most comfortable manner appropriate to his lifestyle.

TM "ZHMENKA" is a modern brand that has the latest production equipment and responds quickly to emerging requests from its customers. The ZHMENKA brand offers new types of products that allow the consumer to meet their needs for a healthy diet despite the fast pace of life and lack of time.

Premium varieties of rice and cereals to satisfy any culinary fantasy.
Convenient cereals in portion bags for cooking or delicious mixes of cereals with vegetables, which will always come in handy when you need a useful and tasty side dish but have little time to cook it.
Crispy rice cakes as a useful alternative to bread, a low-calorie dessert, or a quick snack.

Granola and oatmeal in cups – exactly what you need for a full and quick breakfast.
Delicious, hearty, and healthy lunches in cups that do not need to be cooked – perfect for the office or when you are out of town.

KEY BENEFITS OF COOKING

COOKING GROATS IN BOIL-IN-BAGS

- No need to wash the groats – they have already undergone additional purification
- Easy to measure the amount of meal - one bag has two portions
- No need to measure the amount of water
- Groats are ready as soon as they occupy the whole volume of the bag
- Groats do not stick to the sides of the pan
- Ready-made meal is always fluffy and delicious

100% ONLY NATURAL INGREDIENTS
